## STUBBLEFIELD—WILLIAMSON.

Pretty Wedding at the Home of J. J. Walker Near Mt. Carmel.

The home of Mr. and Mrs. J. J. Walker near Mt. Carmel was the scene of a pretty wedding Wednesday, March 15th, when Mrs. Walker's niece, Miss Annie Sarella Williamson, and Mr. William Walker Stubblefield were united in the bonds of wedlock.

The nuptials took place at 3:30 o'clock p. m. Rev. George E. Kapp of this city officiating.

## STORY OF A CHECK.

A Market Street Clothier Takes One That He Thought Good.

Last Thursday a man stepped into a Second street store, laid down a blank check of the First National Bank and requested a gentleman to fill it up for him, payable to W. B. Pell, for \$25.

The request was granted and the man at once signed the check with the name of Henry Haugaboo, picked it up and left the place. He went to the clothing store of Mr. Marcus Davis, made a small purchase and tendered the check in payment.

Mr. Davis was not in the mood for being "taken in," so he inquired at the Bank if Mr. Haugaboo's check was good for \$25, and being told that it was—provided, of course, it was genuine,—he gave the customer the goods and some \$23 in change.

It develops that the check is a forgery and that W. B. Pell the payee is the forger. Pell resides near Bridgeport, this county, and after his good luck he lit out for Cincinnati to have a hot time in that old town.

Yesterday morning he came back on the steamer Nisbet, and as soon as he landed at the wharf he was landed in Jail by Constable Wells.

He will have a hearing before Squire Grant tomorrow, and if the lawyers will only prove that the First National Bank is an incorporated institution, doing business in a three-story brick and mortar building, painted lead color and having a tin roof, at No. 15 West Second street, North side, in the incorporated city of Maysville, Mason county, state of Kentucky, United States of America, A. D. 1890, now and forever, one and inseparable,—with a whole lot of other tommy-rot,—there may be a bare possibility that Pell will go to the Pen.

## Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## Carpetings FOR SPRING

We have the exclusive control here of a large manufacturer's output, embracing fully one hundred different patterns in Tapestries, Brussels, Moquettes, Velvets and Ingrains. After long and careful consideration we have adopted this method of Carpet selling for two reasons. First, we can give you a selection in point of quality, quality and artistic designing the Cincinnati markets cannot rival, an impossibility under other conditions, as we have not the room to carry such an enormous stock as our selection line represents. Secondly, we can sell cheaper, much cheaper, than under the old method, as the factory carries our stock for us, and we need not keep on reckoning of profit-clipping, remnants and unpopular patterns. Entering upon this different arrangement in our Carpet business there are three points in which we determine to excel:

PRIVATE PATTERNS,  
HIGH-GRADE GOODS AT LOW PRICES  
CARPET MAKING.

Think over what this means. First, you need not cover your floor with hackneyed patterns. On the contrary exclusive and fresh designs are at your disposal. Second, you need pay no more for the best than poorer grades cost elsewhere. Third, when the carpet making is entrusted to us we will have all carpets machine-stitched; bordered carpets will be faultlessly mitered and sized. No ripped seams, no puckered corners, the cost no more. We solicit your patronage on this basis. Orders can be filled within twenty-four hours. Come in and look over our line.

D. HUNT & SON.
